Our Company

TM Logistics

Chairman's Message

I express my gratitude for your continued business. As the Chairman of TM Logistics, I am proud to lead a team of dedicated professionals who are committed to providing you with the best possible transportation services. Our company was founded on the principle of providing safe, reliable, and efficient transportation solutions. We have a long history of success in meeting the needs of our customers, and we are confident that we can continue to do so in the future. In recent years, we have made significant investments in our fleet and infrastructure. We have also implemented a number of new safety and security measures. These investments have allowed us to improve our service levels and reduce our environmental impact. We are committed to continuous improvement, and we are always looking for ways to better serve our customers. If you have any suggestions, please do not hesitate to contact us

Muhammad Naveed,
Chairman

Director's Message

I am sincerely thankful for your continued support of our company. It is because of your loyalty and trust that we have been able to grow and succeed over the years. As you know, the transportation industry is constantly evolving. New technologies are emerging, and customer demands are changing. In order to stay ahead of the curve, we are constantly investing in new technologies and training our employees to provide the best possible service. We are also committed to safety and sustainability. We have a comprehensive safety program in place, and we are always looking for ways to reduce our environmental impact. We believe that these investments will help us to continue to provide you with the high-quality service that you have come to expect from us. We are also confident that these investments will help us to grow and succeed in the years to come.

Fiazan Gujjar,
Director

Who we are ?

TM Logistics is one of the leading providers of transportation and logistics services. We offer a wide range of services. We have a team of experienced professionals who are dedicated to providing our customers with the highest quality of service. We are committed to safety, security, and sustainability.

Our goal is to be the preferred transportation and logistics partner for our customers. We strive to exceed their expectations by providing innovative solutions that meet their needs. We are proud to be a part of the transportation and logistics industry.

We believe that our services play an important role in the global economy. We are committed to helping our customers succeed and to making a positive impact on the country.

Our Workshop

We maintain a state of the art workshop for comprehensive maintenance and repair services for our own trucks. We understand the importance of keeping the trucks in optimal condition to ensure their efficiency, reliability, and longevity. Our experienced technicians perform scheduled inspections, fluid changes, filter replacements, tire rotations, and other essential maintenance tasks to prevent breakdowns and ensure optimal performance.

Our Philosophy

TM Logistics

Vision & Mission

Vison

To be the leading logistics company, connecting businesses and people across the country through seamless and sustainable supply chain solutions. We strive to drive efficiency, embrace innovation, and exceed customer expectations, shaping the future of logistics and enabling country's growth.

Mission

To provide exceptional and efficient logistics solutions that meet our clients' unique needs. With a focus on reliability, innovation, and customer satisfaction, we aim to streamline operations and drive success in today's dynamic business environment

Core Values

Safety

Safety is our top priority. We are committed to maintaining the highest safety standards in all aspects of our operations, ensuring the well-being of our employees, customers.

Reliability

We prioritize delivering transportation services with utmost reliability and consistency. Our customers can rely on us to meet their transportation needs on time, every time.

Efficiency

We are dedicated to optimizing our operations to achieve maximum efficiency. By utilizing advanced technologies, streamlined processes, and effective resource management, we aim to provide cost-effective transportation solutions.

Teamwork

We believe in the power of collaboration and teamwork. We foster a supportive work environment that encourages open communication, cooperation, and mutual respect among our employees, enabling us to deliver exceptional results together.

03

Our Services

TM Logistics

Our Services

We are proud to be a top-tier provider of nationwide land transportation services. With a specialization in efficient and reliable delivery of goods, our dedicated team is committed to ensuring customer satisfaction through cost-effective solutions that deliver punctually and reliably. Choose us as your trusted partner for all your transportation needs, and experience the excellence that sets us apart.

We transport cargo of varying dimensions (height, length, width, weight, and nature), such as raw materials, finished products, plant machinery, and more, to different destinations, guaranteeing timely, reliable, committed, and competitive terms. By utilizing modern truck fleets equipped with real-time tracking technology, scheduled services, and strategically positioned terminal hubs, TM Logistics provides a smart and economical shipping alternative.
